Thank you

This year the Diocese of Leeds is celebrating its tenth birthday. During this time the work of the Education Team has grown in terms of its offer and reputation. Today we continue in our commitment to empower our schools to transform their communities. We have remained focused on both our core responsibilities and expanding our services to meet school needs. This has resulted in 99% of our church schools buying into the ESP in 23/24, with a growing number of community schools joining in too.

I believe that this success stems from understanding each school's unique situation and building strong relationships with school leaders. Feedback from schools in 23/24 has been overwhelmingly positive. 97% of our schools would recommend our work, are satisfied with their support and the value for money it offers. Schools have told us that they appreciate the insights drawn from our work across nine local authority areas and eleven multi-academy trusts. Plus, they value that our advisors work in a flexible, bespoke way and have first-hand experience as successful headteachers, especially in leading church schools.

I hope that this brochure will give you an insight into the range of support we offer as we actively collaborate with schools, academies and trusts in the region to develop our support and training. So many schools tell us they need support more than ever at this time. Please do get in touch if you feel we have missed something - we are continually open to improving and expanding our offer, whilst maintaining the high standards you deserve.

I hope that you will buy into our ESP for 24/25. In doing so, we can ensure the team is here for our whole family of schools when they need us, whether in good and more challenging times. As you continue to nurture success in your schools academically, emotionally, socially, physically and spiritually, we remain committed to both our partnership work with you and our care of you. Mindful of the financial pressures, you will see that any price increases have been kept to a minimum with some additional services frozen at last year's price to support you at this time.

I cannot finish without saying a huge thank you. Not just for engaging with our work so positively, but for the sacrificial leadership and sheer hard work you show daily as an advocate for the young people in your care. I, alongside the whole education team, deeply appreciate all that you are and all that you do.

Wishing you and your teams continued blessings in your work, as we continue to travel hopefully together.

Simone Bennett
Director of Education

What do headteachers say about our support?

A selection of feedback from schools in 23/24

"The delivery of professional development and school improvement support is always of the highest quality. Whilst the team is small in comparison to the number of schools supported, the approach is always personalised and the team place great emphasis on knowing schools and their leaders well so that the impact of working together has the greatest possible benefit."

- Primary Headteacher, North Yorkshire

"The Diocese Team and our Diocese Advisor are incredibly supportive. The support, guidance and CPD offered to prepare us for our successful SIAMS inspection were quintessential but also the ongoing support through regular visits, some really great CPD and network opportunities (Bible Course, New To Headship Course, ESP Online) have helped me as a new head who is also new to church schools in a really effective way. Not just as a Church School Headteacher but also as a Headteacher in general."

- Secondary Headteacher, Leeds

"The support we receive from our advisor is invaluable for the head teacher, subject leads and the wider staff community. Our advisor has also worked with a group of local heads on different aspects of being a Church school - this has really supported with networking, sharing best practice/expertise and getting value for money. We have also been supported through the academy process and most recently our SIAMS inspection."

- Primary Headteacher, North Yorkshire

"Really appreciated the support and advice both personally and professionally. Honest dialogue is possible and this helps improve the school."

- Secondary Headteacher, Bradford

"It isn't just the school improvement side that is valued it is also the friendly face and the emotional support that I am truly grateful for."

- Primary Headteacher, Wakefield

"I feel very well supported by the full team. There is a warmth alongside a clear understanding of the demands of our role as senior leaders."

Feedback from some that used the service in 2023

"The process never feels rushed, there is always useful discussions and our advisers have always provided some great insights from their wider experience across lots of other schools within the diocese. The approach feels holistic, about the HT as a person, not just their role as HT. We always feel that there is a great deal of care taken and the whole process enjoyable - it is also great value for money!" - Chair of Governors, North Yorkshire

"Preparation was of the highest quality - the needs of the school were thoroughly researched and identified so that targets suggested were exactly what we needed. The whole process was carried out in a highly professional and supportive manner - governors and HT all felt well supported." - Chair of Governors, Leeds

"The support during this process was exceptional. The adviser is sensitive, yet forthright when needed and can very quickly evaluate the evidence that leaders provide as part of the process. As the adviser already works with our school leaders, there is a strong understanding of the needs and challenges of schools and can translate these into clear objectives. This continuous work with the Trust overall, and myself as CEO, means we have a fully aligned view. They rightly focus on wellbeing as a key part of this process. The adviser ensures that all relevant documentation is completed in a timely manner and is comprehensive." - MAT CEO

SIAMS Inspection Questions Unpicked

Following the success of this course in 23/24, we will be repeating this in 24/25

£315

cost for schools
in the ESP

OR you can swap the equivalent of up to two half days from your adviser time

The structure of the 3 part sessions

This course aims to unpick each IQ and offer the opportunity for school teams to reflect on their own practices. The six sessions are delivered live and virtually. This is designed to fit into your staff meeting schedule.

Each 3 part virtual session will focus on a single inspection question and include:

1. Training input: Our team, who are SIAMS Inspectors, unpick the question for 30 - 45 minutes
2. Self-review activity 1: A reflection task will be set for teams to reflect on their own practices in your meeting following the input
3. Self-review activity 2: An additional reflection task, which may take more time, will be set for schools to dig deeper beyond the end of the session

The benefits of the course

- **Value for money:** Each session provides training input and feeds into your self-evaluation as a church school
- **Credibility:** Each session is delivered by serving SIAMS inspectors
- **Good use of time:** The sessions are designed to slot into a staff meeting or SLT meeting schedule. It could even be used as a training/evaluation series for governors
