

Your Parish Share is vital for sustaining ministry and mission throughout the Diocese of Leeds.

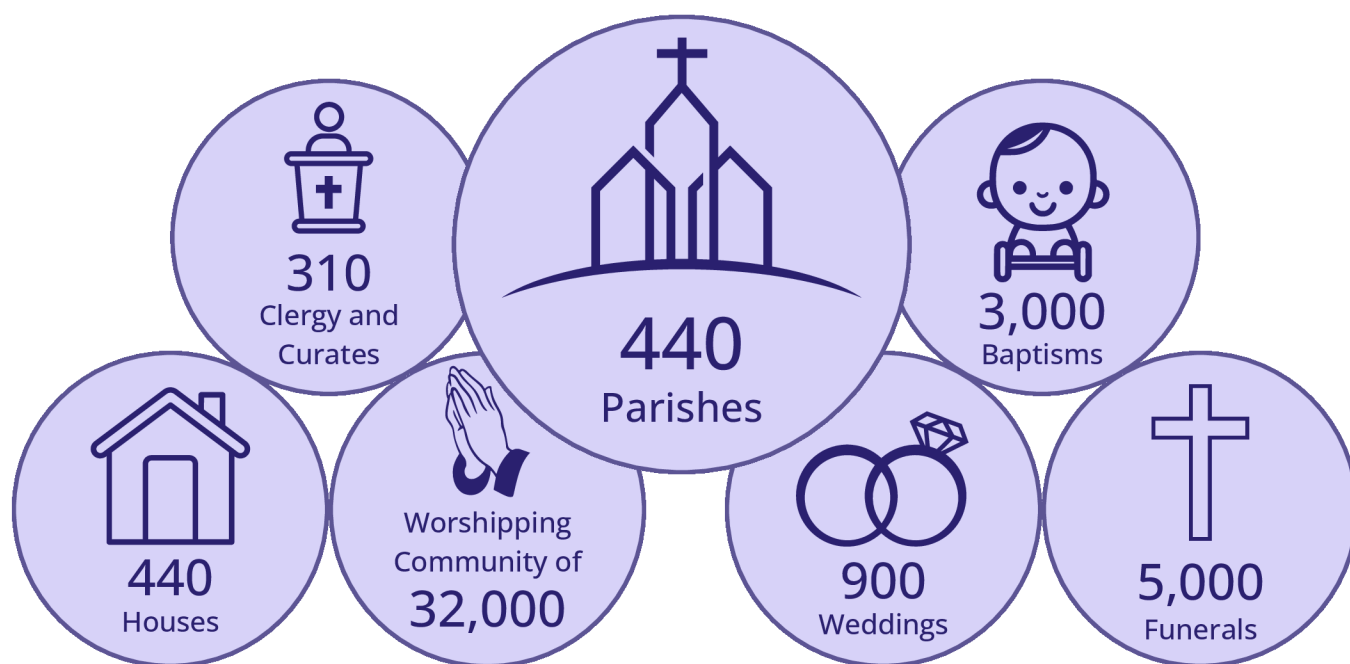

Giving generously is an expression of the love of God to the people around us, and is one way to live out our faith and support in our communities.

Thanks to the generosity of churches like yours, we hope to receive £12.3 million in Parish Share in 2025. This will go towards the £16.4 million needed to provide housing, stipends and other ministry support for our 310 clergy.

When we give through Parish Share we enable mission and ministry in all our parishes, encouraging confidence in the future of our diocese.

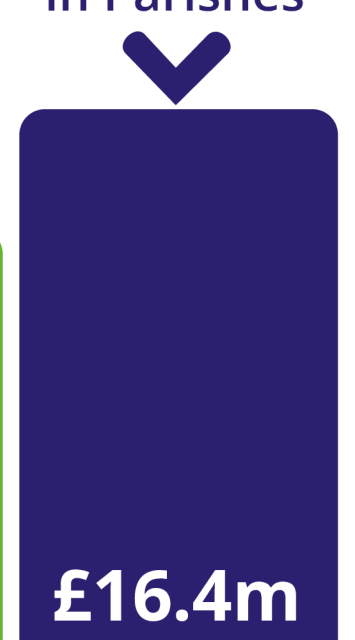

'Everything comes from you, and we have given you only what comes from your hand'
