

## ADDITIONAL RESOURCES: Mapping Your Community

If it's helpful, you might like to think about your local community, who are the main stakeholders, what it needs and what is provided. A few helpful questions could be:

1. In addition to the Church, which other organisations are represented in your community:

e.g. Schools, care providers, businesses, other faith communities, local authority

2. What's the make-up of your parish:

e.g. age profile, types of housing, employment prospects,

3. What is provided for the community: e.g. recreation, social opportunities, healthcare, community support, childcare

4. What's missing?
